

WHY 24/7 LEARNING ACADEMY

24/7 Learning Academy is a high school created for the 21st Century and designed to prepare students to be thriving entrepreneurs, college graduates, and global leaders of innovation and social justice.

We equip students to create their own jobs, careers, and pathways to success.

WHAT WE OFFER

We offer students personalized learning plans designed just for them that includes:

- Project-based and personalized learning
- Entrepreneurial training and leadership development
- Real world and 21st century skill development
- Extensive use of technology
- Personalized learning schedule
- Real-world internships and apprenticeships

ALWAYS LEARNING, TEACHING, AND EVOLVING

ONSITE HIGH SCHOOL PROGRAM

Our Onsite High School Program offers:

- 15 to 1 student/educator ratio
- Small group and individualized instruction
- Daily projects emphasizing - public speaking, reading, writing, mathematical reasoning, creative thinking, and team collaboration
- Access to onsite and remote educators

VIRTUAL HIGH SCHOOL PROGRAM

Our Remote Students learn by choosing a path and schedule that work best for them that includes:

- Access to more than 150 accredited traditional and AP courses
- Project based learning and group collaboration
- Daily access to live advisors, mentors, and accountability coaches
- Ability to participate in onsite classroom instruction (Optional and available to remote students who want a traditional school schedule and experience)

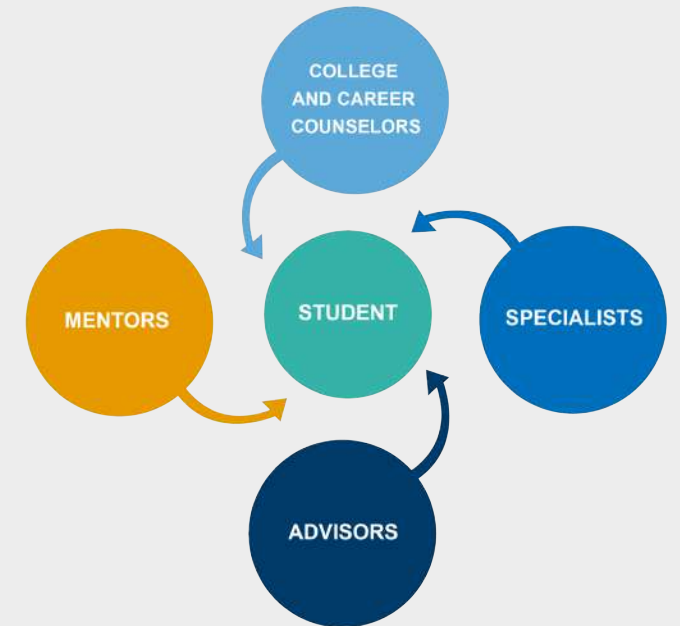

UMBRELLA PROGRAM

24/7 Learning Academy's Homeschool Umbrella Program gives the homeschool community the advantage of private school enrollment while maintaining the curricular freedom inherent in homeschooling. Beyond attendance, the school also provide testing, transcripts and report cards.

ALL PROGRAMS ARE ACCESSIBLE ONSITE OR REMOTELY

OUR EDUCATORS

24/7 Learning Academy Educators are categorized into four groups and focuses on core areas:

OUR WEEKLY SCHEDULE

No two Future Leaders (students) have identical passions, skills, or learning styles, so we want their daily activities to reflect that. Each Future Leader (student) has the opportunity to build their daily schedule and weekly calendars to fit their personal goals and needs.
